TERAMED HEALTHCARE SOLUTIONS is a single source provider of medical-surgical, diagnostic imaging, and radiation oncology equipment, including sales, service, repair, parts, refurbishing and installation. Teramed Healthcare is making it easier and more affordable for every hospital, clinic and medical practice to have the very best equipment, supplies and service.

Teramed Healthcare Care Items and Home Furniture
Some essential pieces of equipment to consider include:

- Audiometer or tympanometer
- Autoclaves
- Automated external defibrillators
- Blood pressure monitor
- Bodyweight scales
- Color-coded bio-hazard bins and bin liners
- Colposcopes
- ECG unit and its accessories
- Emergency medical equipment — aspirators, oxygen, and resuscitation masks
- Pulse oximeter

Purchase these items from hospital-approved suppliers to ensure that they are in good condition. These suppliers will deliver the items straight to your door, making it easy for you to receive them, particularly if you do not have a loading dock.

- A Home Hospital Bed
- Lift Chairs / Stand Assist Chairs
- Overbed Tables
- Cabinetry, recovery room dressers/side tables and storage shelving.

Teramed Healthcare is your source for a wide range of professionally refurbished medical equipment. Our inventory includes used hospital beds, anesthesia machines, EKG machines, surgical tables, respiratory ventilators, infusion pumps, and defibrillators — refurbished to OEM specifications by our dedicated biomedical technicians. Find affordable used equipment from industry-leading brands you trust: GE, Drager, Stryker, Philips, Welch Allyn, Hill-Rom, and more. Contact us and request a quote today.

Over the years, we have extended our services to a varied clientele, from leading government and semi-government hospitals to private and military hospitals to homes, providing innovative Clinical and IT solutions to help lives in ways that guarantee health, comfort, and happiness.

Our strategic partnerships have given us access to an international network of prestigious healthcare operators through a single touch-point, which has supported our company's purpose and success.

At TERAMED HEALTHCARE SOLUTIONS, we are dedicated to improving the quality of life for all and redefining the future of healthcare – making us more than your partner and solutions provider. Together, we can revolutionize the healthcare industry by making healthcare easy and accessible to all, while taking care of every individual's need.
